This architectural floor plan illustrates the layout of The Foundry theater. The central feature is the main stage area, labeled "THE FOUNDRY", which contains 578 seats arranged in a semi-circular fashion. Above the stage is a "CHANCEL & CHOIR LOFT EXPANSION" with tiered seating. To the left of the stage is a "CHOIR REHEARSAL ROOM" (2,510 SF) and an "ORCHESTRA" pit. The backstage area includes a "REHEARSAL ROOM" (2,510 SF), "ROBE STORAGE" (240 SF), "STORAGE & STORAGE" (3,400 SF), "MEN" and "WOMEN" restrooms, and a "HALLWAY". The stage area includes a "CROSSOVER", "CURTAIN LINE", and "STAGE" (1,000 SF). The audience area includes a "BOOKSTORE", "OFFICE", "RAMP UP", "RAMP DOWN", "ENCLOSED WALKWAY", and "BALCONY WALKWAY". The plan also shows various "STAIR" and "VESTIBULE" areas, as well as "OPEN TO ABOVE" and "OPEN TO BELOW" spaces. The total storage area is 6,710 SF.
